

# **The Role of TRIZ in the Monozukuri solution Systems**

Pioneer Corporation  
Osamu Kumasaka,  
Fumiko Kikuchi, Akio Fukushima

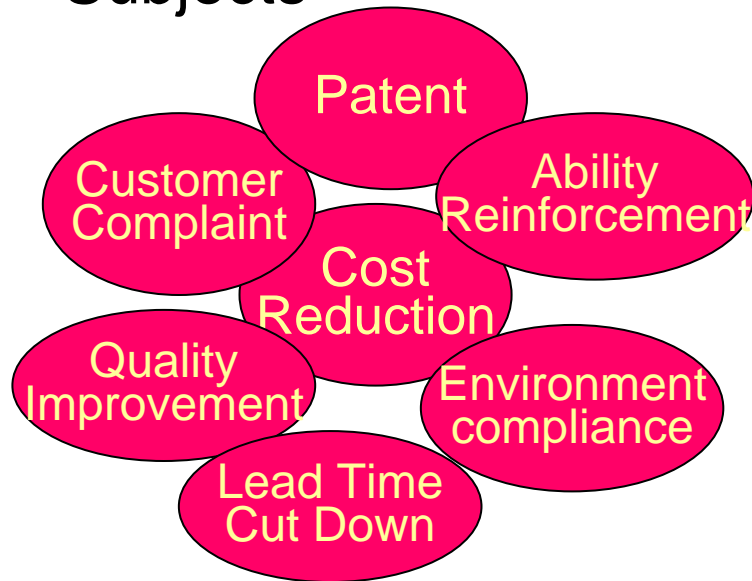

# Requirement for development / design efficiency improvement

## Market Change

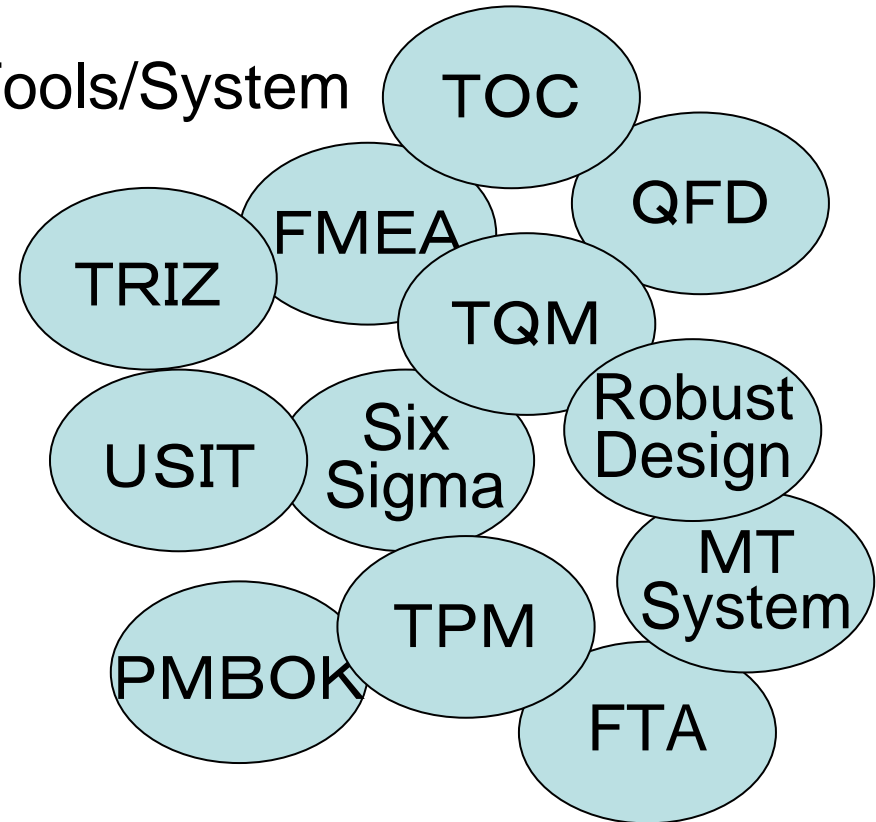

# Engineers' Frustration

Subjects

Tools/System

- A lot of tools are introduced, though...
- A use of tools itself is not the goal !
- What kind of tools should we start from?
